Dear Club,

I just had to write and tell you about my new boyfriend, as I know you lot love hearing about weird and interesting sexual experiences. I'm 27 years old, and pretty sexy, even if I do say so myself. My firm boobs and long legs certainly seem to get the guys going! I'm forever on the lookout for nookie, and I particularly love a bit of bizarre sexual activity, just to add a bit of spice to proceedings.

Anyway, a few weeks ago, I went to a fayre in a nearby village, and they had one of those dreadful battle re-enactment shows on. You know the kind of thing, groups of blokes dressed up as knights or Vikings pretending to beat the shit out of each other to entertain the crowd. This lot were supposed to be invading Vikings, and I found it all extremely dull until I saw Henry.

Henry was 6 foot tall with long straggly hair

flowing down from under his horned, metal helmet. He was dressed in a chainmail tunic, and was wielding a massive great broadsword and a shield. I don't know why, but this guy made my pussy get all wet just watching him. They had their staged scrap, everyone applauded and I made a beeline for the giant Viking.

We sat in Ye Olde Ale House and drank far too much cider while I flirted outrageously with Henry and made it pretty obvious I was up for a shag. I think he finally got the message when I ran my hand up his bare leg and under his skirt-like tunic, tickling the bulge in his boxer shorts.

"I didn't know Vikings wore underpants," I said with a giggle. "Why don't you come and invade my flat sometime – like now?"

"Okay, I'll just get changed and we'll go," he said, realising that his luck was well and truly in.

"You'll do fine exactly as you are, Mr Warrior," I said and gave that large bulge another playful squeeze.

One of Henry's mates drove us back to my place, and I dragged my helmeted friend into the bedroom. Henry pulled me to him as I undid my blouse, and the feel of the metal rings of his chainmail against my bare nipples made me shiver with excitement. His tongue thrust inside my mouth as I wriggled my tits against the hard steel, loving the cold, scratchy feeling against my skin.

I pushed a hand up his skirt and yanked his pants down to his ankles, enjoying the feeling of his thick, semi-stiff dick and balls dropping into my palm. I squeezed his testicles and felt his heavy knob grow in my hand. We snogged some more as my other hand stroked his firm arse, and he eased a finger inside my panties and pressed it into the gooey interior of my cunt. He jerked it in and out while we kissed, but I was in need of something more substantial by now, and pulled away. I lay back on my bed and spread my bare thighs wide, opening my juicy slit with my fingers so he could see right inside.

"I've always fancied being ravished by a Viking," I giggled, "especially if they have a big sword."

I grabbed the huge weapon that was leaning against the bed, and placed the hilt of the sword against the opening of my pussy. Covering it first in my sticky juices, I pushed the tip inside my hole and slowly eased it up me until my fanny lips rested against the cold steel hand guard. I nearly burst out laughing as I looked up at Henry, standing over me, his rigid dick in his hand, his mouth agape and his horned helmet perched at a silly angle on his head. My improvised dildo was so cold and hard, I couldn't stop myself from climaxing all over the handle.

Before the waves of lust had subsided, Henry had removed his sword, and replaced it with his fat prick. It slid up to his balls effortlessly as, by now, my cunt was dribbling with cum and he sucked a nipple between his teeth, chewing it gently as his golden locks draped over my chest.

Bloody hell! I was fucking Thor as far as my imagination was concerned, and I came again, causing his dick to make obscene slurping noises as he rammed it in and out. I sucked on the tip of one of the horns on his helmet as he reached behind me and lifted my

NAT'LL DO NICELY!

Dear Club,

I think Natalia is a bit of an unsung hero of *Club International*. I don't think I've seen a bad photoshoot with her, and she seems to be the kind of girl who suits any outfit or setting. The shoot in the latest issue (*Club* 43/2) is tremendous, and the picture of her alluring looks and smooth fanny on page 21 is one I'll cut out and keep forever. Keep her

coming, please!
Danny, Chesterfield

We agree 100% Danny – Natalia is always stunning, and a charming girl into the bargain. Worry not, we've already got some lovely new photo sets of her lined up exclusively for Club International readers. Keep your eyes peeled.

COX'S PIPPINS!

Dear Club,

Your Reader's Girlfriend from Club 43/2 is a very naughty girl. I've seen her in a few mucky DVD's and she doesn't mind taking it up the wrong 'un, I can tell you. Whoever has her as his girlfriend is a lucky bloke, as long as he doesn't get too jealous of porn stars bonking her all the time! John, Paddock Wood

Yes, Stella Cox is carving out a nice career as a porn star – great looks, big natural boobs and an open mind – we reckon she'll go far!

buttocks off the bed so his cock could penetrate me deeper.

"Fuck my arse!" I yelled, and squirmed around, pushing my bum as high as I could. Henry's big muscle slipped from my slit and I winced as he pushed it hard against my tiny anus. With a jolt it was in, and I thought I'd faint as the thick, stiff meat probed as far as possible into my rear.

"Christ, this is good," said Henry, as he grunted and growled his appreciation of my narrow butt tunnel. I came again thanks to the arse-fucking and that cold chainmail slapping against my buttocks. The tensing of my muscles was obviously too much for my Viking invader and, with a yell, he pumped jet after hot jet of seed deep up my arse.

We screwed and fucked all over the flat that night and I've been seeing him ever since. He likes dressing up as a Viking, and I like shagging him when he's dressed up as a Viking, so it's a fine match, made in Midgardhur.

The Green light...

After a warmly appreciated recent debut in these pages, Emma Green returns to share her charms.

"I got some lovely letters," she tells us, as did we. "I thought they'd be ruder but most of them were very romantic and sweet. Some asked if they could buy me things from my Amazon wish list. I didn't even know what that was, so I had a look

and it turns out loads of girls have a shopping list for their fans to buy."

We're aware of this...

"Some of them are quite cheap, but some of them are really greedy cows! They're furnishing their homes with stuff they get from fans!"

Nice work if you can get it.

"Well, if I do one it'll only be for sexy gifts – toys and lingerie – which I'll use then send back!" ♣

Drool's out...

Wow, what a transformation. Last time Ariana graced *Club* (issue 44/5), she was revelling in wearing nothing. This time, she's dolled up and ticking off about three of our fantasies in one go.

"Well, I am at college," she reveals, "and this outfit might be the one that gets my professor to take me seriously. And if he doesn't take me seriously, he might take me over his desk..." ♣

PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

ROGER THAT!

I don't want to sound like a slag, but I do love a really good rogering. I spend hours working out and keeping fit, and my guy friends tell me I'm hot-looking. I also keep fit so I've always got enough energy for a shag-marathon.

Anyway, I always like a fuck, especially from an old friend who really knows how to get my minge frothing. Imagine, then, how happy I was when I met an old lover, a builder called Mike, while out shopping. He gave me a lift home with my groceries, and, well – you know a lady always pays her debts!

I've got big, firm tits and an arse to die for, so when we got to my place, I told Mike to sit on the sofa in my living room and slowly danced for him, pulling off first my mini-skirt and then my white lace thong. Men go nuts for my norks, and before I could unzip his dirty blue work jeans he was already pulling on my nipples. My cunt was juicing like crazy and I knew he could smell its tangy post-workout aroma. He pulled his cock from his jeans, and I wanted it in my mouth so badly. I tugged on it, feeling it grow and pulsate in my hand.

At Mike's suggestion, I bent over on the sofa. I pushed my arse up really

high so he could get a good close-up view of my cunt and my tight arsehole. "You choose, Mike," I told him.

I knew he'd made his decision when I heard him spit and felt a gob of saliva land on my bumhole. He worked his fingers in, and I could feel him slowly stretching out the delicate pink tissue, opening up my arsehole to the world. I breathed out as he plunged deeply into my rectum. He worked his cock in and out, while pulling on my tits and pinching my nipples. My cunt was juicing like crazy. He plunged deeper and deeper, every thrust creating a wave of pleasure in my stomach and cunt. I felt a gigantic orgasm building up in me.

Mike let go of my tits so he could hold my buttocks wide apart. He thrust so deeply that I felt his nuts slapping my arsehole. My cunt was foaming at the gash, and after a few more thrusts into my arse he pulled out and ram-rodged his rock-hard cock into my tight minge. My clit was burning and hugely swollen. With each thrust of his cock his balls ground into my clit, sending pleasure buzzing through my swollen, meaty pussy lips. He pulled out, rolled me over onto my back, and shot his wad across my flopping tits. My cunt contracted and squirted as I came. Before he had finished cumming I was

already licking his salty spunk off my tits.

He loved every minute of it, and we agreed he should pay another visit as soon as I could, er, fit him in!

Juliet, Leamington.

HARD TIMES!

I grew up in the foster system but, unlike so many stories, my life wasn't at all bad. I was lucky in that the handful of families I was placed with were kind and generous and I was permanently adopted by a very special couple. After I left home, they adopted a girl who had had it much tougher than me. Suddenly, I had a younger sister and if there's one thing my time in the foster system had instilled in me, it was a fierce loyalty to those whom I care about. I'd do anything for my sister, so when my parents told me that they were concerned about her, I was determined to get to the bottom of what was wrong. After a lot of pressing, Sophie admitted that her boss had been giving her a really hard time and had been talking about some very inappropriate things.

"Sexual things?" I asked. Sophie was crying at this point and simply nodded. Fighting to contain my anger, I hugged Sophie tightly and told her not to worry, that everything would work out.

"Don't do anything rash," my mum begged.

"You know me," I said. I like getting on with things, so chose a route home which took me

past Sophie's workplace. I here was a light on and I decided to stop by, just in case I could have a word with her boss. I went over in my mind what I was going to say as I jogged up the steps. I quite liked the idea of playing big brother and expressing my protectiveness. The term I was thinking about using was sexual harassment. That thought was muddled as soon as I knocked on the door.

"Come in," I heard a woman's voice say. I paused. Why was a woman instructing me to come in? Maybe I had the wrong office. I looked over and saw Sophie's desk, just as she had described. The name on the doorplate matched. It was just that I hadn't imagined Alex as being a woman. The framed family picture on Sophie's desk hardened my resolve. "Come in," the voice repeated, betraying a little frustration. The woman inside looked as though she would benefit from a good night's sleep.

"When you're done undressing me with your eyes, why don't you tell me who you are and what you want."

"Jake. I'm Sophie's brother."

"Ah. The fake brother makes an appearance. How's her fake migraine?" There was no concern, only sarcasm.

"Probably better for being away from you," I retorted. "Sophie told me about the unwanted attention." A flutter of confusion crossed Alex's pretty features.

"What kind of unwanted attention?"

"Sexual attention from her boss."

"Me? What am I supposed to have done?"

I looked into Alex's eyes as she pulled her greasy golden hair into a rough ponytail. I explained how uncomfortable Sophie had become and why.

"It's hardly sexual harassment to admit that I want to be fucked," Alex said, sounding bitter. "It was just girl-talk. Banter. None of it was real. Well, apart from the bit about me being sexually frustrated." Alex looked me squarely in the eye. "So what are you going to do about it?" she asked, chuckling.

It was the dirtiness of chuckle which made the difference. "Take your skirt off and bend over the desk." Alex took a breath deep enough to strain the buttons on her blouse. A different sort of fire started to burn in my body as she stood up with a defiant expression on her face.

"And if I don't?"

"I won't help you with your frustration."

"In that case..." Alex circled her desk, letting me see the way the pencil skirt gripped her thighs before she reached round to unfasten the button and pull the zip. The white blouse hung like a curtain in front of her crotch but I saw enough to make my cock hard. "I admire your loyalty to your sister."

"I'm not doing this for her. I'm doing it for me." Alex gasped as I turned her around and bent her over the desk. "Sophie told me about the anal thing, so that's where I'm going to stick it: up your arse."

"Oh my God." I pushed Alex's blouse up to her shoulders and then pressed down on her back, showing her where I wanted her. She moaned softly as I held the cheeks of her arse in my hands with the skimpy black thread of

“I touched my lubricated index finger against her arsehole and eased it inside. Alex whimpered...”

her G-string disappearing between her buttocks. “There’s lube in my bottom drawer.”

“Bottom drawer?” I asked. “How fitting.” I left Alex bent over the desk while I went and rifled through her drawer. “Not just lubricant,” I said, pulling the sex toys out one by one and lining them up in height order on the desk. “You weren’t kidding about being sexually frustrated.”

“I work long hours. Finding a man to do this to me has been difficult.” Taking the fattest of the toys as well as the lubricant, I walked round the desk and dragged Alex’s underwear out of the crack of her arse.

“Hold your cheeks open for me,” Alex did as she was told, exposing the crinkled knot of her bumhole. My mind began to race as I squirted lubricant onto my middle finger. Would Alex really let me stick my finger up her bum? This was not how I had envisioned my evening panning out.

Alex squirmed as I touched her but that was the limit of her resistance. “Spread your legs wider.” Alex obeyed instantly and spread her bum cheeks wider without me having to ask. She was eager to please. “I do like obedient girls.” I touched my lubricated index finger against her arsehole and eased it inside. Alex whimpered as I pushed my finger in and out of her bum. It probably hurt a bit as I squeezed another finger in alongside the first but she choked down any signs of pain. “Very good. Now here’s your reward.” I twisted the base of the fat little vibrator and pushed the chunky cylinder deep into Alex’s cunt. I could hear her every breath catching with pleasure.

“I take it you’re enjoying yourself?”

“It’s wonderful,” Alex moaned.

“Would it be cruel if I stuck my cock up your arse now?”

“Oh fuck! Do it. Please.”

“This is going to be a tight squeeze,” I said, lining my cock up with Alex’s winking bumhole.

“So tight,” Alex agreed. A wave of elation surged through me as I pushed my knob into her bum. “God, that feels so big with my pussy full as well,” she groaned. “I’ve never had something in both my holes before.”

“Hopefully it’ll take the edge off your frustration,” I said, enjoying the vise-like grip of Alex’s sphincter twitching around my cock as well as the mad vibrations from the toy buried in her pussy.

“Oooh fuck, that feels nice,” she sighed, as I gave her my full length for the first time. It felt even better for me as I quickened my powerful strokes, pushing both Alex and her desk across the office in my desperation to find the white heat of my climax. “Fuck me. Fuck my tight little ass,” Alex urged. I went harder and faster, sweaty flesh slapping as I banged into her bottom. It was so utterly depraved.

“Oooh shit! I’m going to cum,” Alex announced. Her movements became frantic and I actually felt the intense burst of pleasure through the muscular pulsing of Alex’s sphincter. Somehow it served only to excite her more. “I can feel every millimetre of you inside my bum,” Alex sighed. “It’s such a sweet ache. I want to cum again.”

“You feel so fucking good.” My cock felt tender as I increased the pace. “I’m close.”

“Me too.” My orgasm fired, long and hard and I enhanced each pulse of pleasure by shoving deep into Alex’s throbbing arse. She let out a sob as I sagged down on top of her.

“Did I hurt you?”

“Just enough.” I knew what she meant.

Alex stayed on the table as I pulled both my cock and the toy out of her holes. I dropped my business card onto her desk. “Next time you’re feeling frustrated, Alex, give me a call. I’d be happy to give you a hard time, rather than have you take it out on Sophie.”

“That sounds like a wonderful arrangement.”

GLOBE THEATRE

**All the world's
a stage, and
sometimes famous
ladies get their
norks out on it...**

Gorgeous New Yorker Amanda Peet seems to have been knocking around screens both big and small for Yonks, but doesn't seem to have aged a jot. Despite being in her 40's, her recent topless turn in TV's *Together* showed she's as much in her prime now as she was when she showed us her ta-ta's in 2000's *The Whole Nine Yards*, when she gave us a whole nine inches of wood (okay, wishful thinking). We'll keep on stroking it over her, if only for Peet's sake... [You're fired - Ed] ♣

Misbe-ava...

Blighty's own Ava Dalush isn't your average glamour model. She's into jazz vinyl, Hip-Hop and Peter Sellers (just like the Editor, not that I'm saying she should marry him or anything. Although she should). And she recently decamped to the US to seek her fortune there. So, how is it going for her on the other side of the pond (where these photos were taken)?

Well, with a film CV that now includes such titles as *Bangin' the Boss 3*, *Jerkoff Material 11* and *My Brother Has a Big Dick 2*, we'd say it's going swimmingly. She's exported her beautiful British booty and the yanks are loving it. Even though they'll never appreciate Peter Sellers the way we do... ♠

What our well-placed moles are telling us this month...

DOWN THE WIRE

Sliding Doors!

Oh, how different his life could have been, but he has chosen the path of ridicule. Deputies in Florida's Broward County were astonished by CCTV footage of an armed robbery. The surveillance footage shows a man armed with a knife entering a lift with a 77-year-old woman inside. The armed robber casually relieves the woman of her purse before attempting to make a hasty exit only to walk smack into the closing lift doors. The suspect did eventually escape and is currently still at large. Handy tip for you next time: try and choose a stationary exit.

Crookie Monster!

Yeah, I'm the
Turin shroud of
biscuits, mate!

Never trust a Girl Scout... or her father for that matter. 33-year-old Cody Wylie used his 9-year-old daughter in a cookie deception that rocked Westmoreland County to its core by collecting money for cookies he never ordered or delivered. Wylie was charged with theft and receiving stolen property after Wylie and his daughter took over a hundred orders. He was only tripped up after eight criminal complaints were filed. That's enough to put you off the biscuity morsels for life.

Cutting Edge!

Clearly this man's wife had been bending his ear about the length of her lawn. Gursham Gillett, 49, of Cozad, Nebraska has been charged with theft and criminal mischief after CCTV footage showed a man at the Wal-Mart Super-centre in Lexington cutting through a chain link fence and fueling up a lawn mower before driving off. Gillett was picked up driving the mower 10 miles from the store. Unfortunately the fact that it only had three gears and a max speed of 18 miles per hour hampered his quick getaway. ♣

Well, I've left Italy to come to the UK as your porn industry is a lot better than ours. I've already done quite a few scenes, and I'm planning more.

I think so. There are so many people I want to work with in the UK, but I have my eye on a few US studs as well!

FEATURE STUFF OR GONZO?

I think gonzo. I really can't act, but then no porn stars can! I just like to get straight down to the action, whether it's a blowjob, a fuck or some nice deep anal. I don't want to spend all day in make-up and learning lines. I just want to fuck!" ♣

TWO GIRL TORTURE!

I think it's probably fair to say that it's every guy's favourite fantasy to get two girls into bed (at the same time, I mean). It certainly is my boyfriend's. I've been going out with Jason for about two years now and the subject's cropped up on more than one occasion. See, the thing is, Jason loves to talk dirty to me during sex and he loves to hear me talk dirty back, so we know each other's fantasies intimately. Jason's always going on about how he'd love to watch me slide my tongue in and out of another girl's sopping pussy, and dip his cock from cunt to cunt as we squirmed around on the bed, then he'd blast his hot sticky cum all over our faces.

I always thought this was just talk – a little sexy mental stimulation to accompany the physical – so I always played along. I'd say stuff that I knew would turn Jason on and talk about rubbing my dripping pussy into another girl's cunt, he'd nut off all over me in a fit of excitement. But then Jason started talking about this girl at work and asked if I wanted him to arrange it.

"She's a good friend of mine and really open-minded. I reckon she'd join us one night if you wanted," he said. I asked him if he'd fucked her already, but Jason swore he

hadn't. I wasn't sure I believed that because why would someone who was 'just a friend' join in if nothing had gone on in the past between them? Jason said it was just because she was a real good-time girl who loved adventurous sex and would do anything if it was a bit risqué.

"She probably wouldn't fuck me just on my own, she'd think that was too boring. But with you there, I reckon she'd jump at the chance."

He then showed me pictures of her on the web. She'd posted some amateur snaps on a porno website and someone at the office had found out. The boss called her in to discipline her and everyone thought she'd get fired, but incredibly she kept her job. The rumour was that she'd let the guy fuck her over the desk every night for a month (once while a couple of his friends watched), but that was just a rumour.

I gave Selina (that was her name) a good

the picture as to what I had planned for Jason, and she eagerly agreed.

Now, I have to confess I had an ulterior motive, too. See, I'd never been with another woman before, but had always fantasised about it. I don't know if I would've ever been brave enough to try seducing a girl on my own, as that would involve admitting I had these lesbian feelings, but with Selina it didn't count as we were just doing it for Jason. See?

After a couple of drinks we went up to the bedroom and climbed onto the bed. Jason stripped off and sat on a chair in the corner, nursing his hard cock. Selina cast an interested eye over his prick and asked if she could give it a little taste, but I told her no. Jason hadn't listened though and was wanking his cock just inches from Selina's ruby lips, so I told him if he didn't sit back down the deal was off.

Jason was torn with horn and for a moment

"Selina cast an interested eye over his prick and asked if she could give it a little taste"

look over and liked what I saw. She was quite small, with a round face and short brown hair, not conventionally beautiful, more cheeky with an incredibly dirty smile and I felt a little twinge for her. Jason said he'd ask her then, but I still wasn't sure and asked my best friend what she thought.

My best friend told me that she and her boyfriend had had a threesome once, and that her boyfriend had just spent the whole time fucking the other girl. She said that it felt like he'd cheated on her, but that it hadn't counted because she'd been in the room at the time, and warned me to watch for the same. I knew what to do at that moment and told Jason he could have his threesome if he wanted but on one condition – he had to sit at the end of the bed and not join in until I told him he could.

Jason agreed, not knowing the torture he was letting himself in for, and a couple of nights later Selina called round. I put her in

I thought he was going to say to hell with me then, but to mine and Selina's amusement, he just trudged back to his chair. "Maybe later, if you're good," Selina said, then turned and kissed me.

It felt so weird kissing another girl, and I couldn't help but hold back a little at first, but Selina took the lead and took her hands on a tour of my body. She slipped her hands inside my top and pulled down my bra, stirring my nipples with her fingertips as she did so. I have incredibly sensitive nipples at the best of times, and their stiffening radiated delicious tingles all across my body.

I moaned into her ear as she slid her hand between my cleavage and across my soft belly and I knew where it was going next. My pussy, already moist with anticipation, started to pound as her fingers approached. She pulled up the hem of my skirt and stroked her flat palm across my hot cunt several times, before sliding her fingers under the lace. My pussy pumped as her fingers dug into my flesh and I buried my face into her neck as they stroked across my wet lips.

Selina soon found my clit and stirred it with circular motions that turned me on like crazy. She dropped open her legs and urged me to do the same to her, so I grabbed a handful of

her cunt. Her pussy was nice and wet, so I slipped two fingers into it and pumped them with fevered enthusiasm, delighting Selina and filling the room with noisy squelching. Jason jumped out of his chair for a better view, so the pair of us turned our hips towards him and told him to sit back down.

"Suck my pussy," Selina told me, her request almost making me cum all over her fingers. We stripped out of the rest of our clothes and planted our mouths between each other's legs. The relief Selina's tongue brought me had me howling into her wet cunt and I reciprocated as best as I could until my face was greasy with her joy. I planted my tongue as deeply as I could inside her love tunnel and rubbed her clit with my thumbs, making her flinch with every stroke, then I licked all around her wet thighs and even between her cheeks as I sampled every inch of her.

"Oh God, you dirty fucking bitch," she moaned, as I flicked the tip of my tongue across her arsehole, then she did the same for me.

"Please let me fuck you?" Jason was moaning, his cock now so impossibly primed that I knew I could make it explode with the gentlest of touches.

"Sit back down, you wanker,"

Selina barked, then went back to sucking on my swollen cunt lips. It was so horny having this young thing feasting on my pussy that I couldn't stop myself from admitting my little secret.

"I'm a lesbian. I've always been a lesbian. I love pussy and I'll fucking suck any girl's cunt who wants it," I moaned, writhing about on Selina's face as my heart pounded in my chest.

"You fucking dyke," Selina replied. "Eat my cunt, dyke. Eat it!" I stuffed my face harder between her legs and whipped my tongue up the length of her sopping crack again and again as she tongue-fucked me to oblivion and soon I started to orgasm.

"I'm gonna cum!" I howled, and Selina closed her mouth over my cunt, catching my juices as I splashed across her tongue. It felt unbelievable cumming in this stranger girl's mouth, and this just intensified my pleasure to dizzying heights. When I was done, though, I was so exhausted that Selina had to

“Jason sank in up to the balls with one thrust and he fucked her hard with urgent thrusts, then pumped her full”

kneel over my face and bring herself off, as I could barely lift my head!

The smell and taste of her cunt filled my senses and she stuffed her fingers into her swollen hole again and again before finally dropping down onto my open mouth and cumming all over my tongue.

"Oh fuck yes," she moaned, as I drank from between her lips.

"I can't stand it any more," Jason said, standing over us rubbing his cock into Selina's body. He left a glistening trail of pre-cum all over her tits and I knew at that moment he'd do anything to stick his cock into one of us (or more obviously, her), so I decided to take advantage of the situation.

"You want to fuck us?" I asked, and Jason begged yes. "Then you can fuck her if you want, but only on one condition."

"Anything. I'll do anything," he said, as Selina lay back and parted her legs. Her cunt cracked open so invitingly, but Selina blocked it with her hand as Jason tried to slip it inside. "Please," he implored.

"Like I said, on one condition. You have to let me get fucked by another guy, and you have to sit in the corner and watch as he fucks me," I said, and Selina smiled at this.

"Okay, yes, I promise," he said, but Selina made him swear. "I swear, just let me stick it in you." Seeing him this horny though, I couldn't resist upping the stakes.

"Two guys, you have to let me fuck two guys at the same time. Pussy, mouth, arse; they fuck me in every hole and you have to watch," I said, and Jason still agreed, so I told Selina to let him in and she moved her hand. Jason sank in up to the balls with one thrust and he fucked her with hard urgent thrusts. I thought about the hard urgent thrusts I'd be getting in a couple of weeks time and the look on Jason's face as they showered me with cum. I couldn't wait. And neither could Jason, by the looks of things. He let out a cry and slammed into Selina one last time, then pumped her full of seed.

When he pulled out his cock, her crack dribbled with sperm, so I sunk between her legs and gave her hole a suck. I do love the taste of freshly squirted cum, and it tastes absolutely delicious when sucked from a girl's well-fucked pussy – as Jason would discover in a couple of weeks time. I'd see to that.

Fiona, Leicester.

BIKER BANG!

First up, my name's Jazz and I'm the bass player in an all-girl band called The Biker Slut – the dirtiest, most wanton rock-bitches that ever drew breath! A brief introduction: Sindy, the singer has blood-red waist-length hair, and is a roaring bi who loves to give the rest of us wicked head. Anna's our full-lipped drummer with tits to fuckin' die for, she likes to get banged up against the dumpster with the trash behind whatever shit-hole we just played. On guitar there's Beth, she's kind of severe with a sharp black bob, and is well into her fetish thing. Then there's little

rapturous applause and we frowned and rolled our eyes, drinking all the harder to steel ourselves against what was to come. The bad music eventually stopped and we staggered out, pissed as farts, to pound through our set.

Halfway through the first song, I noticed through my blurry vision that the audience were nearly all women. All except the five muscular semi-naked men standing to the left of the stage! And then it dawned on me – the support act hadn't been an 80s DJ, it had been a fucking male strippers outfit. And now there

were these five hunks staring at our raunchy, sex-starved arses. One of them, a man with a shaved head and a well-trimmed goatee, was looking at me and pulling ferociously on his fully-engorged member! Oh, thank fuck, I thought, we're gonna get to have some fun after all.

Sindy saw this and was in there faster than I could have thought possible, looping her mike lead around Mister Goatees' neck and dragging him up onto the stage. She then proceeded to grind up against him for all the audience to see, licking his nipples and biting at his neck like the sex-starved nympho she was. He responded by pushing her onto her knees and shoving his throbbing member into her waiting cleavage, its purple end probing at her neck and chin. She flicked her tongue teasingly at it and grabbed him firmly by the balls, making him buck as he moved to the pounding backbeat.

The stripper who had been standing next to Mister Goatee, a fine specimen with bleach-blond hair and a surfers' tan, took this as his cue and jumped up onstage. He slid round behind Beth and grabbed at her bulging, corseted tits with one hand whilst the other made a beeline for her crotch, pulling at her rubber skirt with sweaty fingers. I could see Mister Blonde's fat cock pushing at the taut black material that covered Beth's arse, and I felt myself moisten deliciously as I watched her writhe, wet-lipped, within his grasp as she tried desperately to not fuck up the song.

I felt the hair on the back of my neck stand up and I looked away from Beth and back to the audience. Standing in front of me was a tall, naked man with spiked hair, blue-eyes and a snake tattoo coiled over his right pectoral and upper right arm. His eyes were clear and hard and his gaze unflinching as he

stepped up onto the stage. Now the audience were really starting to go mental! Mister Snake proceeded to kneel before me and pull my miniskirt up, slowly taking and unclipping a suspender with each calloused hand. He delicately traced the tendons on my thighs, moving his mouth closer to my crotch, his very breath playing upon my fattened, hungry sex. Yet Mister Snake was an expert tease, and he held off on touching my now-steaming pussy until we'd started the next song. Locking his arms about my groin and open legs like some kind of vice, he waited with heavy gasps until I was busy playing the bass again.

I closed my eyes and tried desperately to hold the beat as he pulled my G-string to one side and began to expertly work my clit with his dancing tongue. As the song built up speed, so did he, holding my pussy open with

“He responded by pushing her onto her knees and shoving his throbbing member into her cleavage”

old me on bass. I'm your classic rock-chick, I suppose. Long blonde hair and big brown eyes; all fuckin' hiked up cleavage and mini-skirts that are more like belts, that's what I'm about.

So let me tell you about this one time on tour... God knows how it happened, but we were doing this series of ill-conceived gigs in the West Country where we were playing all the wrong sorts of places. Gents' clubs where the youngest guy was fuckin' 50 or something?! More importantly still, I hadn't gotten any cock in over a fortnight on the road – a completely unprecedented length of time for a Biker Slut to go unseen to.

So, anyway, we'd just about given up hope of having any fun at all when we rolled into Taunton one evening, all tired and wound up, to find that we were booked to play a bloody wine bar! We sullenly set our gear up in the corner and started drowning our sorrows before the place was even open. I was so inconsolable that I didn't even bother to check who the other bands were, as they were bound to be a load of shite.

We sat backstage passing a bottle of vodka between us telling dirty stories whilst the wine bar filled up, none of us bothering to go outside as we really didn't give a fuck who showed up. When we were well into our second bottle, we heard what sounded like a DJ doing a really awful set of 80s tunes to

one hand and sliding one rough, moistened finger up my arse with the other. I spasmed as I heard the drumbeat break down and the crowd begin to jeer, but Mister Snake wouldn't let me turn around to see what was happening. All of a sudden, with the music now stopped and nothing but my own hammering heart for company, I was cumming like a freight train. Mister Snake worked my orgasm like a pro and slid from my womanhood when he was done with serpentine grace.

As I slumped to the floor I noticed the remaining two strippers were spit-roasting a twisting, bucking Anna over the trashed remains of a drumkit and I laughed deliriously. No wonder she'd dropped the bloody beat!

HEATHER ♣

Here's some MILF madness for the pot to stir things up a bit, as sunny climbs Heather ramps up the heat at home.

"I was filming a scene recently when one of the women who was riding my face at the time, refused to stop when the director yell 'cut'. Apparently I was doing such a job she just couldn't help herself and hell, I wasn't complaining. We shot that scene 6 times!"

Cor, blimey! That's a lot of pussy juice but we're not complaining either. ♣

BRETT ♣

Well, the future certainly looks rosy with Brett Rossi in the picture, but it hasn't always been sunshine and swimming for the busty blonde who started out on Playboy Radio. "They soon had me on as a regular and I eventually became one of Hugh Hefner's painted models at his frequent house parties." This all sounds very Botticelli painting Venus! ♣
